

BICYCLE RACKS

MODU-LOC
FENCE RENTALS

ANYTIME. ANYWHERE.

Modu-Loc provides an effective bicycle rack option for situations that require an attractive and temporary bicycle storage solution. Offer cyclists a place to secure their bicycles while visiting your site, increasing attendance and improving visitor satisfaction.

ECONOMICAL AND ATTRACTIVE alternative to temporary storage cages

VERSATILE - can be installed on a variety of terrains, including pavement, grass and earth

HIGH CAPACITY - each rack can accommodate up to 12 bicycles

WIDE BASE DESIGN prevents tipping and allows access from both sides

17 locations throughout Canada providing nationwide service
